President's Report

I hope this finds everyone in good health. The last month has been a real roller coaster.

I was privileged, with other members of Redlands Sub Branch, to participate in commemoration ceremony, dedicating a fitting military headstone for Private Willaim Arthur Mobbs. A veteran of both world wars, Private Mobbs' grave in Cleveland Cemetery remained unmarked for more than 60 years. This ceremony was a high point in the month, thanks to the tireless work of the Australian Remembrance Army, who identified the grave and researched his family; and with the assistance of Henry Pike MP and the generosity of locals, we were able to provide Private Mobbs with the recognition he deserves.

Then with two days before Remembrance Day, the lowest point came with the senseless vandalism of our War Memorial in ANZAC Memorial Park. The Memorial, erected in 1920 as a symbol of remembrance for the many local lives lost in World War 1, had its symbolic column destroyed. The column was deliberately made with the top cut short, to represent the many lives that were cut short by the great war. Since then, the memorial continued as a symbol of remembrance following World War 2 and all the wars and peacekeeping operations since, honouring all veterans who served our nation, particularly those who made the ultimate sacrifice.

The damage to our Memorial has created a wide range of emotions among the veteran and wider community. Although the damage to the Memorial was the result of stupidity and was accidental, while the young person responsible voluntarily presented himself to police, what remains is a deliberate disrespectful act of climbing a War Memorial. These Memorials represent the service and sacrifice of

generations of Australians, particularly those who paid the supreme sacrifice, to conserve the way of life that we enjoy today.

This disrespectful act did not diminish the significance of our Remembrance Day, it stiffened our resolve to continue this important day on our commemorative calendar, unchanged. It also galvanised the veteran and wider community to attend our service, to honour those who have served and made sacrifices for our country. The strong community presence, the largest seen in recent years, was very pleasing.

This is the last Bugle for the year. So, I will take this opportunity to thank everyone for their support throughout the year, and to wish everyone a happy and safe Christmas and New Year.

Take Care.

Remembrance Day Memorabilia Selling and School/Aged Care Facility services –

President Rob Wilson noted that one vacancy remained for volunteers to assist with memorabilia sales at Stocklands' Cleveland and asked for additional volunteers to visit local schools and aged-care facilities. Rob invited interested members to speak with him after the meeting.

Remembrance Day Commemorative Service –

Andrew Bailey advised that the Remembrance Day service will

commence at 10:30 am, with cadets providing a tri-service catafalque party and manning the flags. The service will follow the usual simple format, with a guest speaker to be confirmed. Wreaths will be laid by conflict, and the schedule aims for President Rob Wilson to recite the Ode at 11:00 am.

Memorial Dedication Service – Pte Mobbs
President Rob Wilson invited members and the Redlands community to attend the dedication of a headstone for Private Mobbs at Cleveland Cemetery on 6th November at 10:00 am. Rob noted that Mobbs served overseas in the First World War, later enlisted again during the Second World War but did not deploy, and was buried in an unmarked grave in Cleveland Cemetery. A group called the Land Army raised the case with Henry Pike, whose crowdfunding campaign funded the new headstone.

Darwin 1942 – Documentary
President Rob Wilson noted that a documentary is being produced about the 1942 bombing of Darwin. Rob asked any members who were present in Darwin at the time, or who have family members with ties to those events, to let him know, as the producers are seeking people to participate in the documentary.

Anzac Day -
Michael McDonnell advised that golf-cart transport for Anzac Day may not be available next year, as the previous supplier has closed. Michael noted that borrowing buggies from the local golf club would be difficult and costly to transport. With declining membership, Michael suggested that members who have relied on buggies may need to make their own way to the marquees, with arrangements to be confirmed closer to the day.

Bugle Correction -
Alan Harcourt noted an error on page 31 of the Bugle, where the Veterans' Cuppa was listed as Wednesday, 14th October at 9:00 am; the date should have been 11th November.

Wellbeing Report

Good Morning all. This is the final Wellbeing Report for 2026. I get a month off.

Thank you to all who attended the **Remembrance Day service** it was very heartening to see so many of our community in attendance.

Sadly, quite a number of our Service Members have passed away over the past month. To their families and friends, please know that our thoughts are with you during this difficult time. May the many special memories you shared bring comfort, strength and peace as you navigate this time of sadness. They will be remembered with respect and gratitude.

Smoke alarm laws are changing from the 1st January 2027. All existing private homes, townhouses, units and manufactured homes require interconnected photoelectric smoke alarms by 1st January 2027 to keep everyone safe. Further information is on the Government website. We are registered with Home Assist and they installed the alarms at a reduced cost, only takes about half an hour. If you are not registered with Home Assist phone 3231 9020 to check your eligibility or alternately contact a licenced electrician.

Legacy House which has been located in South Brisbane for many

years has moved to an all-purpose built facility alongside Greenslopes Private Hospital. When it opens, Legacy house will introduce Australia's first integrated model of care dedicated to veterans' families, bringing multiple organisations together under one roof to provide more connected, accessible and holistic support. Legacy will be joined by Mates4Mates, RSL Queensland and Open Arms- Veterans and Families Counselling.

The Guest speaker at our November Wellbeing Officers Support meeting was Madeline from **Medicare Mental Health Centre Redlands.** The Centre is situated at 40 Middle Street near the Cleveland Library where the bike shop used to be. If you attend the Centre you do not require a referral or a Medicare Card for this free service. They provide;

- Wellbeing coaching – Peer support from a trained professional with a lived experience of mental health challenges
- Wellbeing Specialist Support – Work with our counsellors and social workers
- Service navigation – If you have questions about what support is out there, we can help connect you with the right services.
- This is a safe place to share what is on your mind.

Please phone 1800 573 955 to get in contact with them.

Thank you to the Advocates at Headquarters for your hard work throughout the year, I know you have had some hard times with claims but just remember the good outcomes and how thankful your clients are for what you do for them.

To the Admin staff, thank you for the way in which you professionally assist our veterans both in person and by phone. I know that our Service members and their families are thankful for the assistance you give.

To our volunteers who have assisted for many years and to new members who have joined our team, thank you for giving freely on your time when requested to assist our Sub Branch.

Thank you to the Management and Staff of the Redlands RSL who also support our veterans. Sometimes our Reception Staff are the first point of contact to the Veteran. It is much appreciated.

On behalf of the Redlands RSL Sub Branch I wish you a very Merry Xmas and a Happy New Year. Stay safe. Warm Regards,

League Secretary Report

Good morning all, well what a month we have had!

Let's start with the r**e-dedication of Pte William Arthur Mobbs,** WW1 and WW2. The service was held at Cleveland Cemetery on Friday 6th November under sunny skies and was well attended by family, friends, Redlands RSL members and politicians. Speakers were Henry Pike MP, The Remembrance Army and our President Rob Wilson. A new headstone was unveiled by the family and blessed by Monsignor John Butler.

Saturday 7th November, Marty and I welcomed members from Russell Island RSL to view the museum.

Sunday the 8th November will be remembered sadly, for the day our cenotaph was severely damaged. Be assured it will be restored to close as to original as we can, hopefully by ANZAC Day next year.

On Monday 9th and Tuesday 10th November, Redlands RSL participated in the **Honour the Fallen** initiative alongside students from Cleveland State High School and Faith Lutheran College.

At Cleveland Cemetery, students and representatives placed Australian flags at the headstones of our fallen veterans, paying tribute to their service and sacrifice. The ceremony concluded with the laying of a wreath and the recitation of the Ode at the headstone of Kevin Conway, the first Australian soldier killed in the Vietnam War.

Faith Lutheran College also participated in the initiative at Great Southern Cemetery, honouring those who served our nation.

A meaningful initiative that helps younger generations understand the importance of remembrance and ensures the sacrifices of our veterans are never forgotten.

Vets Cuppa was well attended on Wednesday 11th November with over 80 in attendance. This was followed by our **Remembrance Day service**, our largest ever attended by over 500 people. We have had lots of media attention in the past 2 weeks, multiple TV and radio stations, print media and social media. Much of this media has spread overseas. Sadly though, we have lost a few members and I have been conducting Poppy services for our fallen veterans.

As this is our last meeting of the year, may I thank my fellow board members for their support whilst I settle in to my role, and may I extend to you all the best for Christmas and New Year, stay safe, and may Your God bless you.

LEAGUE SECRETARY

Cadet Liaison Report

Between Roland Heath and myself, we have had several visits to the cadet parades and worked with some leaders on the Remembrance Day duties and also their forthcoming end of year dinners. 136 Army Cadet Unit will have their dinner at the RSL Club on Friday 13th November and 217 Squadron AAFC having their dinner on Saturday 14th November. Beyond these dates, the cadet units will have individual graduation functions and complete the year early in December.

Due to forecast inclement weather on 18th October, the planned Tri-Service cadet graduation was cancelled and there is no planned move to a later date. This is unfortunate as the Redlands possibly hosts the only Tri-Service cadet graduation in Australia. Flt Lt Chris Howitt has been appointed as Temporary CO of 217 Sqn AAFC. Chris comes with many years of Air Force cadet leadership experience and was the CO of 217 Sqn AAFC many years ago.

All being well, 217 Sqn will know where they will be parading before commencing training in 2027.

This being the final Bugle for 2026, I would like to thank the COs of each unit for their co-operation during the year. For most of the year, all three leaders actually worked for a living whilst volunteering for many youth activities. I would also like to thank Roland Heath for his assistance which has been significant considering his experience with cadets. A special thanks to Karleigh for her understanding with regards to Bugle print schedules.

The Tri-Service cadets attended the Remembrance Day service in great numbers with Army doing the catafalque duty, with all three being flag marshals and Honour Guard.

All the very best to RSL Club members and the members of the three cadet units for Christmas and the new year.

— Report provided by David Field, Cadet Liaison Officer

136 AUSTRALIAN ARMY CADET UNIT

As 2026 draws to a close, 136 Army Cadet Unit (136 ACU) can look back on an extraordinary second half of the year. Building on the momentum of our community fundraising,

recruit progression, and intense field training, our cadets have once again proved why this unit sets the standard for excellence.

While the weather unfortunately forced the cancellation of our major Tri-Service Parade in October, our cadets didn't miss a beat. We quickly pivoted and were honoured to be asked to provide the very first fundraising BBQ at the new local Capalaba 4WD Supa centre, cementing our strong ties with local businesses and families. In addition, the Unit got to do some adventure training by visiting the Treetops adventure Centre at Tamborine Mountain - mettle was tested, but nerves were not shot!

We followed this up in November by once again providing the Catafalque Party for local Remembrance Day services. The discipline, respect, and poise displayed by our cadets on the day was nothing short of awesome, honouring the occasion with the highest level of professionalism. Off the parade ground, our fundraising efforts continued to smash targets through our final Bunnings sausage sizzles and our major raffles, ensuring our unit is well-resourced for the future.

While we have accomplished so much already, the year isn't quite over yet! We are now gearing up for our final field EX Finale to wrap up our remaining training elements, alongside our much-anticipated Annual Dinner Night and formal March Out parade. These events will be a fantastic opportunity to celebrate our achievements, recognise individual efforts, and finish the year on a high note.

To all of our senior cadets currently sitting their final school exams—we wish you the absolute best of luck with their studies. Your dedication to balancing school and cadets has been inspiring. To those who are ageing out or leaving the unit at the end of the year to pursue future endeavours, thank you for your service and leadership at 136 ACU. We wish you every success in whatever comes next and remember: don't be strangers!

For those of you remaining with the unit, get ready. 2027 is going to be a massive, busy year, and I am challenging every single one of you to step up and directly contribute to making it our best year yet.

Well done to all ranks on a phenomenal effort this year.

—Report provided by Capt. Craig Buckingham, OC 136 ACU

217 SQUADRON, AUSTRALIAN AIR FORCE

This term, our cadets continue working through the Australian Air Force Cadets (AAFC) curriculum. They are finalising their SITREP's (Situational Reports) first week of this month.

Our senior cadets will continue working through their Silver and Gold Personal Development and Leadership (PDL) programs, further developing the leadership, teamwork and decision-making skills essential to their progression within the AAFC with a Residential component of Gold Cadet Leadership Program.

During one of our junior classes while learning about the World Wars with Remembrance Day coming up CDT Crawford and CDT Bond (pictured) came up with a lovely poem in which they shared with the class and they were happy to share here also.

THE HEART OF AN AUSTRALIAN SOLDIER

Before I left my home behind
I had a thousand thoughts in mind,
I felt so scared, yet stand so tall,
Not knowing what would come at all.

I said goodbye to those I loved,
And watched the skies, the cloud above
I tried to smile to hide my fear,
and wished that home was always near.

The war was cold the nights were long,
I missed my family, friends and home.
I felt afraid I felt alone,
And dreamed of places I had known.

I saw my mates stand brave and strong,
Together we kept moving on,
Through every fear and every fight,
We hoped to see the morning light.

I thought of home with every day,
And wished the war would go away.
I longed for peace, for skies of blue,
For all the things I once knew.

Cont...

So that day, we stop and pray
We wear the poppy and stand with pride,
And honour those Who fought and died.
Lest We forget! 4years 3months 14days.

Activities coming up this month:

- Dining in night 14 November 2026
- Cadet graduation 30 November 2026

We look forward to another productive month of training, development and community involvement for our cadets. For enquiries relating specifically to 217 Squadron, please contact us at: co.217sqn@airforcecadets.gov.au

TS NORFOLK – NAVY CADETS

TS Norfolk CPOs attended the National Annual Continuous Training (ACT) in Melbourne at HMAS Cerberus this year, compared to the previous year at HMAS Albatross and HMAS Creswell. The National ACT this year focused on the general entry for the recruitment process within the Navy and the general activities and opportunities which are offered.

Within the seven-day camp, activities such as survival at sea, mud run, School of SSSS and other extreme experiences were offered which built immense endurance, trust and strength within the 8 divisions. These activities built lasting friendships and connections throughout cadets nationally.

Survival at sea simulates extreme storm weather using controlled rain and a wave pool with industrial fans and thunder sounds to increase the stress amongst the cadets. The simulator drill forced cadets to huddle and have extreme trust amongst each other as each cadet's individual connection between each other kept the circle strong.

The mud run tested the divisions endurance as the divisions had to past through extremely cold muddy water as eels allegedly lived

amongst the mangroves. The mud run involved extreme teamwork as the fastest team won; with extremely deep pockets in the river; the cadets had to look out for each other to ensure everyone remained above water and finished.

The school of SSSS has two activities which simulated a sinking ship which taught cadets simple ways to patch rushing water from bullet holes, hatches, stairways and doorways. The cadets had to work together to build and watch the reinforcements otherwise the instructors would simulate the dangers of real floods and knock them down. The other activities offered displayed the aspects of firefighting in case of a fire within a ship with cadets dressing in the correct PPE and firefighting gear. The cadets had to fight minor fires with fire extinguishers using the techniques taught by the leading seaman. The firefighting activity displayed all the different risks and types of fires which could occur in a ship with a diesel-controlled fires within a two-story building.

Although these three activities were common favourites amongst all the cadets on the camp, activities such as PT, Drones, signal school, and other opportunities to display the navy to the cadets. Additionally, the ACT explored the ways cadets could get into the defence force through difference venues and the support that SET-C gives to people involved within cadets.

REDLANDS BRANCH

Redlands Branch of the RAAF Association promotes the wellness and benefits of members and supports the Australian Air Force Cadets.

Informal wellbeing gatherings held each Wednesday afternoon in the ANZAC Lounge at Redlands RSL have maintained strong and consistent attendance. Members have also actively participated in the monthly RSL Vets Cuppas and the RSL Wellbeing Bus Trips, both of which remain popular.

In other social news, members enjoyed lunch at the Redlands RSL Sails Restaurant after the Remembrance Day Commemoration. Then the Branch held a Dining Out Night at Chop 'n' Chill, Raby Bay on Tuesday 17th November. Members enjoyed camaraderie over a variety of different cuisine.

Despite the damage to the memorial in ANZAC Memorial Park, the Remembrance Day Commemoration organised by Redlands RSL Sub Branch went ahead. Members of the Branch formed part of the large crowd in attendance from the Redlands community and elsewhere, that were galvanised by the unfortunate incident. Several Redlands Branch members laid wreaths, remembering those from the community who paid the ultimate sacrifice in WW1 and all wars since; and to those who have served and continue to serve.

The next meeting of the RAAF Association Redlands Branch will be a General Meeting on Saturday 12th December 2026 in Redlands RSL at 10:30am. The Branch annual Christmas Lunch will follow the meeting in Redlands RSL.

Bunnings Poppy Sales Request

Bayside were approached by Bunnings to conduct a Poppy Appeal sale at its Victoria Point store in the lead-up to Remembrance Day. Our Baysiders responded enthusiastically, providing a display and staffing a stall at the store entrance over a three-day period.

The activity proved successful, raising valuable funds while also providing our members with an excellent opportunity to engage with the local community and promote awareness of the Poppy Appeal.

The support, commitment, and generosity of our volunteers were

greatly appreciated and contributed significantly to the success of the initiative.

REDLANDS BRANCH

Our membership was well represented on Remembrance Day 11th November. The commemoration this year seemed to be very well attended, maybe it was as a result of the hateful damage to the cenotaph 3 days before.

Congratulations to League Secretary Andrew Bailey and his team for their ingenious design work on the top of the cenotaph, by disguising the damage with the good old "Aussie Slouch Hat" and floral tribute. (as pictured on the front cover of this Bugle). Nobody could see any of damaged done to the cenotaph.

Our November Mess Hall lunch was a huge success at The Bayside Asian House at Raby Bay with 26 members in attendance. No photograph this month as it was impossible to get everyone to leave their food long enough to take a photo, as they were enjoying the banquet so much.

Our next event is our biggest function for the year. Our annual Christmas Lunch which is being held at the RSL's Gallipoli & Kokoda Function rooms on Sunday 6th December 2026. Booking are closed for this function.

VETERANS & WELLBEING EXCURSIONS

Where has 2026 gone? The year has certainly flown by, and with November now upon us, we have just one Veteran & Wellbeing excursion remaining for the year.

Our most recent trip took place on 30th October, and once again we enjoyed a fully booked coach. Departing Redlands RSL promptly at 7.00 am, we travelled to Sanctuary Cove to board the Lady Brisbane for a scenic cruise along the Brisbane River. The journey took us past the Port of Brisbane before we eventually berthed at Hamilton.

The weather could not have been better, with sunshine and warm temperatures making for a perfect day on the water. Morning tea was served shortly after departure and included tea or coffee accompanied by a delicious muffin.

The Lady Brisbane proved to be an excellent vessel, offering plenty of room for everyone to move about and enjoy the views. Lunch was served at midday and featured a classic barbecue with salads and dessert. Following lunch, we cruised past the Port of Brisbane while enjoying informative and entertaining commentary from the captain, who shared insights into the river and surrounding landmarks.

A wonderful day was enjoyed by all, and after a relaxing journey home, we arrived back at Redlands RSL at approximately 4.10 pm.

Our final excursion for 2026 will be held on 3rd December and promises to be a fitting way to conclude another successful year. Participants will depart Redlands RSL at 3.30 pm for an evening beginning with dinner at the Hamilton Hotel. Following dinner, we will enjoy a leisurely CityCat cruise along the Brisbane River to West End, where our coach will be waiting to transport us back to the club. We expect to return to Redlands RSL at approximately 9.00 pm.

Following the December excursion, our Veteran & Wellbeing trips will take a short break before resuming in March 2027.

As we approach the end of another fantastic year, I would like to sincerely thank the team whose dedication and hard work make these excursions possible. Special thanks go to Linda Harcourt, who leaves no stone unturned in ensuring every detail is considered; Karleigh, our marketing expert, for whom no challenge is ever too much; Amber, our wonderful receptionist, who expertly manages bookings and keeps everything running smoothly; and Alisa, whose attention to detail and diligent follow-up help ensure each trip is delivered exactly as planned.

The success of these excursions is a true team effort, and I am grateful for the commitment and enthusiasm shown by everyone involved. We look forward to welcoming our veterans and members back for more memorable experiences in 2027.

'Til next time,

Greg Saunders

Library Museum

Recently, Andrew Bailey, Carmel McKay and I visited the Russell Island RSL after their Board reached out seeking assistance with acquiring military memorabilia. In return, I invited members of the Russell Island RSL Board to visit our Library Museum on 7th November. They were extremely impressed by the quality and breadth of our displays, and I am pleased to report that we were able to donate a substantial collection of surplus memorabilia that could not be accommodated within our own displays.

As in previous years, we conducted our Honour the Fallen ceremonies ahead of Remembrance Day at Cleveland Cemetery with students from Cleveland State High School and at Great Southern Memorial Park and Crematorium with students from Faith Lutheran College. Both events were very successful and provided a meaningful opportunity for young people to reflect on the sacrifices of our service personnel. My sincere thanks go to Joni Edwards from Cleveland State High School, Endija from Faith Lutheran College, and Dianne O'Donnell from Great Southern for their valued support. I would also like to acknowledge Uncle Michael and Uncle Andrew for their assistance at both ceremonies.

On 12th November, we welcomed the Victoria Point Scouts Joeys group (aged 5-8 years) for a visit to the Library Museum. As always, the young visitors were enthusiastic and inquisitive, asking countless questions and eagerly exploring the collection. They thoroughly enjoyed the hands-on experience of trying on military equipment, including webbing, packs and helmets. My thanks to Simone and the Victoria Point Scouts

for making the visit possible, and once again to Uncle Andrew for generously giving his time to assist.

To recognise the dedication of our volunteers, a small morning tea will be held at the Redlands RSL on 12th December. This gathering will provide an opportunity to thank our Library Museum volunteers for their ongoing support throughout the year and to share plans and upcoming activities for 2027.

As the year draws to a close, I would like to thank everyone who has supported the Library Museum and contributed to its continued success. Wishing all our members, volunteers and supporters a safe and happy Christmas and New Year.

I look forward to seeing everyone again in 2027.

REMEMBRANCE DAY

What an incredible show of community spirit we had at our Remembrance Day Commemorative Service. Despite the heartbreaking damage caused to the cenotaph just three days prior, hundreds of people came together at Anzac Memorial Park to pay their respects and honour those who served and sacrificed for our country. It was a powerful reminder that while a memorial can be damaged, the spirit of remembrance, respect and unity can never be broken.

REMEMBRANCE TALKS

This year I attended and gave a Remembrance talk at Birkdale Scouts, Cleveland State School, Seaton Place Residential Care, and Star of the Sea Catholic Primary School for Remembrance Day.
