REMEMBRANCE DAY

WEDNESDAY 11TH NOVEMBER 2026

Remembrance Day is one of the most important days on our commemorative calendar.

Join us as we acknowledge and honour all those who have served and sacrificed in wars, conflicts, and peacekeeping operations.

On the 11th hour of the 11th day of the 11th month -
WE WILL REMEMBER THEM!

COMMEMORATIVE SERVICE

Time: 10.30am

Where: Anzac Memorial Park (next to Redlands RSL HQ)

After the service, camaraderie will be held at Redlands RSL.

President's Report

I hope this finds everyone in good health.

My sincere thanks to all members and visitors who attended the recent League Gathering. I appreciate your patience and your support in approving the amendments to our Constitution. While reading constitutional documents is rarely an enjoyable task, these amendments were essential to ensure our Constitution remains relevant and reflects the needs of our organisation, particularly as the previous version was more than 12 years old.

The next significant commemorative event for the Redlands RSL will be Remembrance Day on 11 November. This day marks the end of First World War hostilities at the 11th hour of the 11th day of the 11th month in 1918, following the signing of the Armistice. More than any other commemorative occasion, Remembrance Day is associated with the wearing of the remembrance poppy as a symbol of honour and remembrance. The service not only commemorates the end of the First World War but also honours the men and women of the armed forces who have lost their lives in service to our nation during conflicts, peacekeeping operations, and military service since.

Many of our volunteers will be heavily involved in the lead-up to Remembrance Day. Their contributions include planning the service, selling commemorative memorabilia, attending services at schools and nursing homes, and participating in the Honour the Fallen program.

I encourage all members of the Sub Branch and the wider community to join us at Anzac Memorial Park from 10.30 am to observe this important day on our commemorative calendar. If you are unable to attend, I ask that you take a moment at 11.00 am to reflect on the sacrifices made by our servicemen and women.

Lest We Forget.

Take Care.

Rob Wilson

Rob King, a Commando veteran of 30 years and Vice President of the Commandos Association, provided an overview of the 2 Commando Regiment (Foras Admonitio). He advised that Charlie and Bravo Companies were fully operational by 1999 and form part of Australia's Special Forces Counter Terrorism capability, with approximately 700 personnel. The Regiment has participated in numerous domestic and international operations and holds both the Unit Citation for Gallantry and the Meritorious Unit Citation. President Rob Wilson reported that the recently announced $5,000 cap on Veterans' Allied Health services has now been withdrawn, noting this as a positive outcome for veterans. He also acknowledged the League Secretary role handover and thanked Michael McDonnell for his service.

GENERAL BUSINESS:

President Rob Wilson noted that members were issued the meeting agenda and the proposed constitutional amendments, including two special resolutions, via email. The same information has been displayed on the Notice Board for the past two weeks. He advised that motions 1–12 and 14 were previously recommended by Wohlsen Consulting during the constitution review and were accepted by members earlier in the year. Most amendments are regulatory requirements from RSL Queensland or the Office of Fair Trading.

Rob reported that additional requirements from RSL Queensland during the submission process were not resolved until July. This delay allowed inclusion of an additional rule (motion 13) and correction of minor errors, but it exceeded the Office of Fair Trading's approval timeframe, requiring the motions to be voted on again.

He confirmed that each motion will be decided individually and that the Minutes must record member votes, For, Against, and Abstain, for every motion and special resolution.

A full copy of these minutes are available to members upon request.

1. **Motion One: The use of the Common Seal:**
   Rationale: Common seals are no longer required by law and are seldom used with new technology.

Moved: I. Cuthbertson *Seconded: D. Field*
Voted in favour: 50 Voted against: 0 Abstained: 0

2. **Motion Two: Secretary must be 18 years of age or older:**
Rationale: A specific need to state that Secretary must be 18 years or over and include 'territory' reference in addition to 'another state' as Qld borders with NT.
Moved: R. Wilson *Seconded: P. Field*
Voted in favour: 50 Voted against: 0 Abstained: 0

3. **Motion Three: Mis-reference to the secretary position being included as a member of the Board**
Rationale: There is a mis-reference in this Sub-Rule. Should refer to 21.4, not 21.5.
Moved: P. Field *Seconded: D. Field*
Voted in favour: 50 Voted against: 0 Abstained: 0

4. **Motion Four: Disciplinary (review) and Grievance Procedures**
Rationale: The RSL Rules specify behaviour review (disciplinary) processes for Service Members. However, they don't deal with the Sub-Branch's other members (e.g. Social). The Associations Incorporation Act and general Law require Associations to have a fair and unbiased process for dealing with members as well as a grievance process.
Moved: C. Griffioen *Seconded: M. Rabjohns*
Voted in favour: 50 Voted against: 0 Abstained: 0

5. **Motion Five: Requirements at an AGM**
Rationale: The current Rules specify items that must be included in an AGM. However, those items were drawn from old provisions of the Associations Incorporation Act that have now been amended. The proposed new Rule is in line with RSL model wording.
Moved: I. Cuthbertson *Seconded: P. Barnes*
Voted in favour: 50 Voted against: 0 Abstained: 0

6. **Motion 6: Other requirements to the Schedule of the Liquor Act**
Rationale: In order to satisfy a further requirement of the Schedule to the Liquor Act 1992, the following two additional Sub-Rules should be included into Rule 11
Moved: D. Field *Seconded: C. Griffioen*
Voted in favour: 50 Voted against: 0 Abstained: 0

7. **Motion 7: Removal of director due to unsound mind or mental health**

   Rationale: A Director may be unable to carry out the complex governance tasks if they lose their acuity or capacity through a medical condition for example. The current Rules don't identify how this process may be carried out with dignity and certainty.

   Moved: P. Field *Seconded: G Hinson*

   Voted in favour: 50 Voted against: 0 Abstained: 0

8. **Motion 8: Rule 28 – functions of the Board**

   Rationale: The current Rules set out a now redundant 'shopping' list of the functions of the Board. The general Law of Governance must apply rather than an arbitrary list of specific functions.

   Moved: I. Cuthbertson *Seconded: R. Heath*

   Voted in favour: 50 Voted against: 0 Abstained: 0

9. **Motion 9: Quorum and voting at general meetings**

   Rationale: The current Rules are uncertain as to how a quorum for a general meeting is to be assessed. There is also a very low number required for a quorum which is inappropriate for a large Association such as Redlands RSL Sub-Branch.

   Moved: G. Hinson *Seconded: K. Browning*

   Voted in favour: 50 Voted against: 0 Abstained: 0

10. **Motion 10: Members calling for a special general meeting**

    Rationale: The current Rules required only a very low number of members to call for a Special General Meeting. An SGM is a significant, costly and very public exercise, and it must not be taken lightly or triggered by a very small number of members.

    Moved: C. Griffioen *Seconded: P. Barnes*

    Voted in favour: 50 Voted against: 0 Abstained: 0

11. **Motion 11: Funds of account (Rule 51)**

    Rationale: The current Rules set out a now redundant list of accounting requirements. These requirements are best to be placed in a policy framework within the financial governance processes of the Board and management.

    Moved: P. Field *Seconded: C. McKay*

    Voted in favour: 50 Voted against: 0 Abstained: 0

12. **Motion 12: Documents (Rule 53)**

    Rationale: The current Rules are outdated and specify a range of documents that may now be redundant.

    Moved: P. Field *Seconded: G. Olsen*

    Voted in favour: 50 Voted against: 0 Abstained: 0

13. **Motion 13: Electing the Board (Rule 25.2.7)**
Rationale: The addition of the two sub rules, included in the 2025 RSL Queensland Sub Branch Model Constitution, will provide a further level of flexibility when conducting succession planning for the Board.
Moved: A. Rigby *Seconded: B. Coleman*
Voted in favour: 50 Voted Against: 0 Abstained: 0

14. **Motion 14: Renumbering of Rules**
Rationale: The removal and replacement of Rules and Sub-Rules will require the provisions of the Constitution to be renumerated.
Moved: J. Butler *Seconded: P. Barnes*
Voted in favour: 50 Voted against: 0 Abstained: 0

1. **Special Resolution 1**
That the members of Returned & Services League of Australia (QLD Branch) Redlands Sub Branch Inc. resolve to submit the amended constitution to South Eastern District Branch for review and submission to RSL Queensland for approval.
Moved: M. Rabjohns *Seconded: D. Field*
Voted in favour: 50 Voted against: 0 Abstained: 0

2. **Special Resolution 2**
That the members of Returned & Services League of Australia (QLD Branch) Redlands Sub Branch Inc. resolve to adopt the amended constitution, once approved by RSL Queensland, as their new constitution, with effect from the date of RSL Queensland's approval.
Moved: G. Hinson *Seconded: P. Oates*
Voted in favour: 50 Voted against: 0 Abstained: 0

General Manager's Report

Comparison sales figures 2026 v 2025 up to and end of the 3rd quarter:

Bottle-Shop sales were $ 169,027.15 which is + 1.72% on the same period for 2025.

Bar sales were $ 2,146,211.81* which is – 12.87% on the same period for 2025.

Sails Restaurant sales were $ 2,857,161.44 which is – 0.38% on the same period for 2025.

Function sales were $ 229,635.29 which is – 13.05% on the same period for 2025.

Cove Coffee-shop sales were $ 912,091.79 which is + 19.04% on the same period for 2025.

Keno sales were $ 2,016,318.00 which is + 18.22% on the same period for 2025.

Net Profit/Loss unaudited were $ 1,124,522.24 which is + 9.07% on the same period for 2025.

** Members bar discounts removed from bar account in 2026*

Mixed results for the comparative period, with a decline in sales in bars and functions, Sails on par and good sales growth in Cove and Keno. More recent figures in August and September, suggests pressure on economies both globally and here at home maybe starting to impact our members.

Comparison gaming figures 2026 v 2025 up to and end of the 3rd quarter:

Turnover:	+ 5.10%
Revenue:	+ 1.79%
Cancel Credits:	+ 26.63%
Cash Clearance:	+ 11.69%
Bank:	+ 3.25%
ADT:	+ 7.09%
ADN:	+ 3.06%
RTP:	+ 0.28%

Gaming achieved solid growth on the back of very strong seven months up to August. As we head into the festive season, it's anticipated that the seasonal trend of increased sales with the lead up to Christmas continues as in previous years.

On a separate note, I would like to thank all the members for their warm welcome to the Club.

Chris Sartori
GENERAL MANAGER

Treasurer's Report

While the overall trading position for all areas of the club continue to be well patronised by our members despite the growing gloomy financial forecasts on a national basis. As I predicted last month, the Reserve Bank of Australia on Tuesday, 29 September 2026, announced an increase of 0.25% to the official cash rate from 4.35% to 4.60%. Both the ANZ and Westpac banks project a fifth interest rate hike of 25 basis points in November 2026, which would push the cash rate to a peak of 4.85% (the highest level since 2008). They anticipate rate cuts will not begin until late 2027 or 2028. For the sake of our members with large home loans I really home these predictions prove to be incorrect.

The positive side of increasing interest rates assists those members who are self-funded retirees, the small increases do help you income streams marginally.

According to several well-known, highly respected financial analysists the value of homes on the Eastern seaboard is well over valued!! They predict that home prices could fall by up to 15% by the end of 2027. This coupled with the fluctuating interest rate effect on home buyers COULD have a negative effect on the trading of our Club in the next to 18 months.

Applications for the Redlands RSL Community Grants Program for 2025 closed at the end of September. While it was pleasing to see the amount exceeded the budget, the calibre of the applications was excellent. They will be carefully examined by the professional officers who will make recommendations to the board. The final decisions will be made at the next board meeting. In advance of the final outcome, I congratulate and thank all organisations that took the time to submit applications.

The major disbursements for League & Wellbeing during September and totals for the first quarter were as follows: -

	September 2025	Year to Date
Donation – Cadet unit	$ 0	$ 14 254
Donation – Vietnam Veterans	$ 4 254	$ 30 475
League – Community Grants	$ 6 700	$ 23 700
League – ANZAC Day Expense	$ 0	$ 105 441
League – Naval	$ 300	$ 2 540
League – RAAF	$ 0	$ 91
League – Bugle / Bay Breeze	$ 480	$ 11 384
League - Golden Oldies	$ 2 558	$ 13 737
League – Home Maintenance	$ 2 001	$ 15 096
League – Honorariums	$ 0	$ 8 696
League – Joint Venture	$ 1 355	$ 8 875
League – Subsided excursions	$ 723	$ 4 259
League - Meeting Expenditure	$ 964	$ 10 507

Overall year to date Members Funds total $ 34,296,506. The Current Asset total is $ 4,884,905, against Current Liabilities of $ 5,079,381. This includes the Bank Business loan of $ 2,479,271. Our cash reserves remain buoyant at $1,801,430 and there is a further $ 1,895,238 in Operational Funds.

I have confirmed with the Financial Controller that all statutory payments including Employee Entitlements are up to date and no statutory payments are under any repayment scheme.

Wellbeing Report

Good morning, and welcome to the October Wellbeing Report. It's been another busy month at Headquarters, and I'd like to take this opportunity to warmly welcome our two new Wellbeing Support Officers, Carmel and John, to the team. Thank you both for joining us.

At the Wellbeing Support Officers meeting earlier this month we

discussed Christmas gift packs to be distributed to our Wellbeing clients. They will be just a little something for those who are doing a bit tough this Christmas through no fault of their own. We wish to thank those groups who have donated to the Sub Branch to enable us to purchase goodies for the hampers.

October is Seniors Month, and Mental Health Week also took place earlier this month. I hope you've had the opportunity to take part in some of the many events and activities happening throughout your local community. These events are a wonderful way to connect with others, learn something new, and focus on our health and wellbeing.

Our advocates are busy assisting veterans with claiming their entitlements through the DVA system. They have a good relationship, built up over many years with DVA. Their jobs never end, always new clients enquiring about their entitlements.

War Widows Day, a day to honour the women who carried a lifelong cost of defence service and to make sure their stories are heard. This year War Widows day will be on 19th October. For more than 100 years' War Widows have raised families, held communities together and rebuilt their lives with little or no recognition. Please take a moment to remember and say thank you.

Golden Oldies have new members again this month and it is heartening to be able to provide a relaxed and safe environment for our ex-service community who are over eighty to meet. Many friendships have been made through this group over the years. The Group meets every second Tuesday downstairs in the Redlands RSL.

Joint Venture members still play indoor bowls every Wednesday downstairs in the RSL and are always looking for new members. If you would like to give it a try there are members who will assist you.

Thank you to our volunteers who assist the Sub Branch, veterans and their families whether you have just joined or have been volunteering for many years a big thank you on their behalf..

Warm Regards,

Linda Harcourt

SED REPORT.

The last SED Meeting was held on Thursday 1st October and chaired by District President, Doug Egan.

A guest speaker was not scheduled before the meeting, so meeting began with the Ode and progressed through the usual routine business of the meeting.

In General Business:

- The new SED Website is now available on-line. Sub Branches are required to review their Sub Branch pages for accuracy and relevance, and update as necessary.
- New membership application forms are now to be sent direct to RSL QLD, by passing District.

The meeting resulted in the shortest SED Meeting I have attended.

League Secretary Report

Well, October already, and a few activities, events and services have popped up.

You may have noticed that the sheds behind HQ have now disappeared, courtesy of Cleveland Men's shed, whom have found a new home for them.
Several board members attended and paid our respect to the fallen at the Afghanistan Memorial Service at Wynnum Manly RSL Sub-Branch.

In addition, several board members attended a memorial service for Barry McKeown at Submariners Walk New Farm. (pictured right: myself, Barry's sons Scott and Raymond, and Rob Wilson).

Henry Pike MP is holding a re-dedication service, in conjunction with the Remembrance Army to honour Pte William Arthur Mobbs, who served in WW1 and WW2 and lies in an unmarked grave. A new headstone is to be unveiled on Friday 6 November 2026 at 10am, at Cleveland Cemetery. We will be providing logistic support for this service.

We have been exploring ways of attracting younger veterans to our sub-branch and Martin Rabjohns and I had an in-depth chat with Tim Myers and Aaron Symonds about implementing a War Gaming Club within Redlands RSL.

Finally, Remembrance Day, a reminder to those that wish to lay wreaths for conflicts to advise Secretary NLT 04 November 2026

Many thanks,

Andrew Bailey

LEAGUE SECRETARY

Cadet Liaison Report

Another month has gone by and with some school holidays during that time and parades ceased, there were opportunities for other training. The three leaders all work for a living and that certainly takes up much of their time. The CO of TS Norfolk has changed employment and has shift work. This becomes an issue on parade nights for the cadets.

The most unfortunate occasion during recent times is the departure of Plt Off Peter Eichenloff. Peter has moved as part of the Wings 'rotation' plan. Peter will be moving on to undertake other youth development roles. We wish Peter all the very best and congratulate him on the progress he orchestrated at 217 Sqn AAFC during his time as CO. Until a replacement/temporary CO is identified, Cpl Wheate the XO and ACW (AAFC) Pam Foley, the current Operations & Administration Officer, will maintain key roles at the unit. This is a big ask of them but they are both well experienced.

The relocation of the Squadron is still happening and ultimately, it may be as suggested some time back, to join with 136 ACU at Alex Hills State High School.

The Tri-Service Cadet Parade will be held at 2:15pm on Sunday 18th October at Capalaba College.

— Report provided by David Field, Cadet Liaison Officer

136 AUSTRALIAN ARMY CADET UNIT

136 Army Cadet Unit (136 ACU) has continued a busy and successful period since our last update in July, focusing heavily on community fundraising, recruit progression, and high-intensity field training. 136ACU once again provide the Catafalque party for the Vietnam Veterans Day, where our Cadets displayed the discipline and skill befitting of such a meaningful day.

One community achievement was significant during this time, commencing with our highly successful Bunnings sausage sizzle, where the Unit managed to raise an incredible $2,500 in vital funds to support ongoing cadet activities.

Additionally, on the 5th September, our cadets volunteered their time for Legacy fundraising at both Capalaba Park Shopping Centre and Bunnings and raised over $4000, as well as an additional $1100 raised by CDTCPLs Moffat and Smith at Victoria Point SHS.

We were also privileged to be invited to run another sausage sizzle at the grand opening of the new local Capalaba 4WD Supercentre, further strengthening our ties with local businesses and families.

The development of our personnel has also been a major highlight over the last few months, where a dedicated Multi-Purpose Day was held at the unit, which saw our newest recruits officially fitted out for their uniforms so they could commence their initial training curriculum. Following this, we conducted Exercise Team Build at the unit over a weekend, which proved to be a great success in fostering leadership, cohesion, and teamwork across all ranks. Elevating leadership and personal courage even further, 20 cadets recently travelled to Tamborine Mountain to tackle the Treetop Challenge, where the high-ropes adventure training thoroughly tested the mettle of everyone who attended. And of course, our internal leadership structure continues to grow stronger, and we are proud to recognize the recent promotions of Sergeant Schuler and Corporal Greer

Our training culminated recently with the week-long Annual Field Exercise (AFX). This intensive camp saw members of the unit participate in specialized tracks including survival, command post and marksmanship training. Demonstrating the leadership standards of 136 ACU, several of our more experienced cadets stepped up to act as Directing Staff (DS) throughout the camp, providing invaluable guidance and mentorship to our up-and-coming new cadets.

Alongside our physical training, fundraising efforts are kicking into high gear with the unit currently running two major raffles simultaneously. The first has been expertly organised by LT (AAC) Chevy Thwaites, who secured fantastic community support to pull together an incredible prize pool valued at over $4,000. Tickets for this raffle are available now, and the draw will remain open until late November. Concurrently, we are participating in the Bendigo Bank Community Raffle, an

initiative that successfully raised almost $1000 for the unit earlier this year. Members of the community who wish to support the unit by purchasing tickets for either of these raffles are encouraged to contact the unit directly at 136ACU@armycadets.gov.au.

As the year draws to a close, the Unit still has a packed calendar and plenty left to achieve. We are currently preparing for our major Tri-Service Parade on 18 October, which will be followed by the privilege of supplying the catafalque party for local Remembrance Day services in November. Our final milestones for the year will include our Annual Dinner and one last field exercise to close out our final training elements, all while running two more Bunnings sausage sizzles to wrap up our fundraising efforts. This busy finish to the year comes as our older cadets prepare to sit their final school exams, and on behalf of everyone at 136 ACU, we wish them the absolute best of luck with their studies.

—Report provided by Capt. Craig Buckingham, OC 136 ACU

217 SQUADRON, AUSTRALIAN AIR FORCE

Training and Development: This term, our cadets will continue working through the Australian Air Force Cadets (AAFC) curriculum in preparation for their upcoming SITREP (Situational Report). The SITREP provides cadets with an opportunity to demonstrate their progress towards the competency benchmarks required for promotion to the next rank, while also identifying areas for further development and improvement.

Our senior cadets will continue working through their Silver and Gold Personal Development and Leadership (PDL) programs, further developing the leadership, teamwork and decision-making skills essential to their progression within the AAFC.

Purga Training Area – Field Training: On 18 September, our cadets joined cadets from 215 Squadron (Carindale) at Purga Training Area for a joint bivouac as part of our training group activities.

Under the guidance and supervision of squadron staff, senior cadets took the lead in delivering both introductory and advanced training. Activities included field living, navigation, night operations, establishing and operating a command post, quick decision-making exercises and field cooking, along with

many other valuable hands-on experiences.

The bivouac provided an excellent opportunity for cadets to put their training into practice, build confidence and strengthen teamwork while learning from their peers and senior cadets.

General Service Training (GST) – Amberley Base: During the school holidays, 11 of our cadets had the fantastic opportunity to participate in the 2 Wing-conducted General Service Training (GST) at RAAF Base Amberley, from 30 September to 3 October 2026.

The program offered cadets an exciting insight into Royal Australian Air Force operations. They visited several squadrons and the RAAF Amberley Heritage Museum, witnessed F/A-18F Super Hornet demonstrations, observed a C-17A Globemaster practising touch-and-go landings, and saw a KC-30A land. Cadets also learned about aircraft marshalling and the important safety procedures involved in aircraft taxiing, parking.

It was a fantastic opportunity for our cadets to experience the RAAF environment firsthand, expand their knowledge of aviation and gain a greater appreciation of the people and operations that support the Air Force.

Activities coming up this month: 18 October 2026 – Tri-Service Parade, Capalaba: Our cadets will participate in this special parade alongside members of the other services.

24–25 October 2026 – Rotary Bookfest: Cadets will assist in supporting this community event, providing a valuable opportunity to contribute to the local community.

We look forward to another productive month of training, development and community involvement for our cadets. For enquiries relating specifically to 217 Squadron, please contact us at:

REDLANDS BRANCH

Redlands Branch of the RAAF Association promotes the wellness and benefits of members and supports the Australian Air Force Cadets.

Informal wellbeing gatherings held each Wednesday afternoon in the ANZAC Lounge at Redlands RSL have maintained strong and consistent attendance. Members have also actively participated in the monthly RSL Vets Cuppas and the RSL Wellbeing Bus Trips, both of which remain popular.

In recent social activities, Branch members joined the Redcliffe Branch for lunch at Geebung RSL on Saturday, 19 September, followed by a lunch at Club Macleay on Macleay Island on Sunday, 20 September—rounding out a busy week of engagement. More recently, members enjoyed lunch at the Redlands RSL Sails Restaurant on Sunday, 11 October, following the General Meeting.

Preparations are underway for the upcoming Remembrance Day commemoration, including the volunteer activities that support this important event.

The next meeting of the RAAF Association Redlands Branch will be a General Meeting on Saturday 12th December 2026 in Redlands RSL at 10:30am. The Branch annual Christmas Lunch will follow the meeting in Redlands RSL. .

National Service Group

REDLANDS BRANCH

In one month, we will be commemorating Remembrance Day – 11th Hour of the 11th Day of the 11th Month. The day on which we all should take a small amount of time to honour the armed forces members and civilians who died or suffered in wars, conflicts, and peace operations. I look forward to seeing as many of our Nasho members as possible on this National day of significance.

At our last meeting we welcomed one new member and we have 2 more who have filled in application forms. One of the potential gentlemen did his National Service with the Singapore Army. A very interesting recruit for us. Once again, I ask all members to keep an eye out for new members who fit the guideline. If you have any problems please contact either myself or Graham Hinson.

Our September Mess Hall lunch was a great success at Samson Fish Seafood at Raby Bay with 28 members in attendance. The photograph below captures some the happy group below the beautiful colourful bougainvillea which is such a feature at Samson Fish Seafood.

It was a time to reflect on the courage, dedication and sacrifice of those who serve at sea, and to acknowledge the important contribution they make to our nation and our communities.

Among those gathered were members of the Royal Australian Navy, the Naval Association of Australia, the Australian Merchant Navy Association, representatives from the Port of Brisbane, veterans' organisations, industry representatives and members of the wider community.

Library Museum

Good morning everyone, I hope you are all well.

I would like to begin by thanking all those who have volunteered to assist in the Library and Museum following my call for help at the last meeting. Your willingness to step forward is greatly appreciated.

It has been a relatively quiet month overall. "Uncle" Andrew Bailey, Carmel McKay and I will be heading over to Russell Island RSL on 15 October for a meet and greet. They reached out some time ago seeking guidance on accessing memorabilia, and now that I am past a couple of health issues, we are finally able to make the trip across to the island.

Andrew and I are also working on a couple of new projects, and we look forward to keeping you updated on our progress in the months ahead.

Until next time,

Martin Rabjohns

Opening Hours: Mondays through to Fridays from 10am to 2pm.

VETERANS & WELLBEING EXCURSIONS

Where has 2026 gone? We're well and truly in the home stretch now. I must say, it's been incredibly rewarding — the positive feedback we continue to receive gives all of us a real sense of satisfaction.

Our next trip will take place on 30th October, and we'll be starting bright and early. Passengers are asked to arrive at 6:30am for a 7:00am sharp departure, as we'll be travelling down the M1, it's imperative that we leave right on time. This trip is a complete sell out, and we're looking forward to another great day.

Our final excursion for the year will be held on Thursday 3rd December, departing the Redlands RSL at 4:00pm sharp. Our first stop will be the Hamilton Hotel for dinner, followed by a leisurely stroll to Bretts Wharf. From there, we'll board a CityCat for a scenic cruise down the Brisbane River to South Bank. Here our bus will meet us for the return trip to Redlands RSL at approximately 9:30pm. Please remember to bring your Go Card or credit card for CityCat payment.

Cost for this excursion will be only $45. Tickets will go on sale at the Vets Cuppa on 11th November 2026 (Remembrance Day). **No tickets will be sold prior** to this date under any circumstances. If you're keen to secure a spot, it's in your best interest to attend the Vets Cuppa for first access to bookings.

I would also like to take this opportunity to acknowledge the fantastic team I have the pleasure of working with: Karleigh, our marketing guru; Amber at reception for assisting with all bookings, Linda Harcourt, who always thinks of the little things; Alisa for her follow up and attention to detail; and Lorraine Perren, for capturing wonderful photos on the day.

As we approach the festive season, I'd like to wish you all a very Merry Christmas and all the best for the New Year. Our excursions will resume in March 2027.

'Til next time,

Greg Saunders,

CONVENOR OF VETERANS & WELLBEING EXCURSIONS

IMPORTANT UPDATE – THE BUGLE

The October edition of The Bugle will be the final edition routinely mailed to members in printed format.

The Bugle isn't going anywhere! Future editions will continue to be available to read on the **Redlands RSL website** and will also be **emailed directly to members** who have a valid email address recorded in our membership database.

Printed copies will also be available at each meeting, with any remaining copies available to collect from Redlands RSL Reception.

> Members who would still prefer to have a printed copy of The Bugle mailed to them can request this by emailing: LeagueAdmin@redlandsrsl.com.au.

We encourage all members to **ensure their email address is up to date** with us so they can continue receiving each edition directly to their inbox.

Thank you for your understanding and support as we make this transition and ensure Sub Branch funds are used where they can provide the greatest benefit to our members.

THIS MONTH IN AUSTRALIAN MILITARY

History

OCTOBER

DATE	TITLE	EVENT
3 Oct 1992	Dedication, Australian Vietnam Veterans' National Memorial	The Vietnam Veterans' National Memorial, Anzac Parade, Canberra, was opened by the Prime Minister, the Hon. Paul Keating, MP, and honours those Australians who served and died in the war in Vietnam.
5 Oct 1951	HMAS Sydney in Korean waters	The commencement of the aircraft carrier, HMAS Sydney's, first patrol off Korea's west coast made Australia the third country (after the USA and Britain) to operate a carrier in the Korean War. The carrier operated Firefly and Sea Fury aircraft (both types can be seen in the Memorial's Aircraft Hall).
13 Oct 1969	HMAS Brisbane returns to Sydney	This was the end of the Brisbane's first deployment to Vietnam. A turret from HMAS Brisbane is on display outside the Memorial.
16 Oct 1967	Royal Australian Navy Helicopters deploy to Vietnam	An RAN Helicopter Flight Vietnam (RANHFV '67) joins the US Army's 135th Aviation Company at Vung Tau, supporting American troops in South Vietnam.
19 Oct 1945	War Widow's Guild of Australia founded	The guild's first president was Mrs Jessie Vasey, widow of Major General G.A. Vasey. It is still an active organisation today. Major General Vasey was killed in an aircraft accident near Cairns while returning to operational service.
21 Oct 1915	Australian Red Cross Missing and Wounded Enquiry Bureau established	Miss Vera Deakin, daughter of ex-Prime Minister Alfred Deakin, establishes the Australian Red Cross Missing and Wounded Enquiry Bureau in Cairo. The Missing and Wounded Enquiry Bureau handled many thousands of enquiries from Australian families seeking information on wounded and missing soldiers during the First World War.
21 Oct 1944	HMAS Australia damaged by Kamikaze aircraft	The Japanese first used special air units (Tokkō-tai) to undertake suicide attacks on warships in the Allied fleet supporting the American landings on Leyte in the Phillipines.
28 Oct 1916	First conscription referendum	Dismayed by heavy losses at Fromelles and Pozières on the Western Front, Prime Minister W.M. Hughes proposed that conscription be introduced for overseas service. The proposal was defeated.
30 Oct 1918	Armistice with Turkey	Armistice signed with Turkey, ending Turkish involvement in the First World War. Australian troops had taken a prominent part in the war against the Ottoman empire, especially on Gallipoli and in Sinai-Palestine.

WITHOUT HISTORY, THERE WOULD BE NO FUTURE!
