President's Report

Fellow members, Well we have had a good taste of winter this month with the artic winds. We badly need a drop of rain or two, especially out West.

With the weather covered we will go on to what has been happening over the month. The TAB room is now complete, this will still easily cope with the punters we have. Work on the KENO lounge will be on-going with work to be continued on an outer extension, beginning mid-August and is expected to be completed by mid-October.

As you would have noticed by now, we have been progressively moving around our main facility carrying out renovations, as one nearly finishes or is completed we move on to the next, this way we minimise interruptions to patrons. There will be some work undertaken on the gaming DOSA to make it roomier and more modern.

The next major build will be the Cove Cafe which will comence in September and should be completed by mid-December. Trade will continue through this time. Once one side is complete we will open that half and close off the other for work to be carried out. Whilst work is being completed there will only be limited tables and chairs available. We ask that our patrons, after purchasing cafe items, move into the lounge area to use its tables and chairs, this way very little inconvenience is caused. So, as you can see Redlands RSL is not sitting idle, we conitinue to grow to keep our members in a venue with improved facilities.

Along with the renovations we are also fulfilling our Compensation/ Wellbeing tasks in assisting our Veteran members. We are currently phoning some 450 over 80 year old veterans to see if there is anything we can do to assist them. This exercise has been met with great appreciation by the Veterans.

Our Compensation and Wellbeing program has, to this point in the year, cost some \$458,725 and is still climbing. These costs are brought about through the running of our HQ phones etc, homeless person assistance, food bank and travel costs. All goes toward assisting our Veterans.

Stay well,

Alan Harcourt LM,
PRESIDENT

Wellbeing Report

RSL Headquarters has had another busy month with fifty-five visitors plus our volunteers through the door working away Monday to Thursday each week.

Redlands RSL hosted a Wellbeing Support Officers Course in July over two days with over twenty participants from Redlands and other Sub Branches Twelve attended from Redlands RSL and the Women's Auxiliary. The course was facilitated by staff from State RSL and was very informative and well-presented and all who took part went away with information overload but all information was given on USB stick at the end of the two days.

The Vietnam Veterans Day Commemoration was held on Sunday 18th August at 5pm with Vietnam Veterans, National Servicemen and community members in attendance. All joined together for refreshments in the Gallipoli Room of Redlands RSL.

It was with great sadness that the Auxiliary learned of the passing of Life Member Lynne Gambrell OAM after a battle with cancer. Lynne began her service with the Women's Auxiliary in New South Wales over 30 years ago. She joined Redlands Auxiliary in 2004 and was Treasurer until the 2019 AGM. She was also President of SED RSL Council of Auxiliaries and took on the role of State President of Council of Auxiliaries in 2014. She was awarded Life membership in 2017 and was presented with her OAM in July 2019. RIP lovely lady. Our sympathy goes to Barry and Lynne's extended family.

We are still contacting our Over 80's Service members just to see if there is any way in which the Sub Branch can assist them. Most are coping okay and the main request is for someone to come and visit for a chat so our wellbeing support officers are being kept on their toes. One of our members lives at Deception Bay and a thank you to the Deception Bay Sub Branch for visiting him.

Our bus/boat trip from Brisbane to the Gold Coast on 3rd September was full in under a fortnight which is wonderful as the Sub Branch hasn't been able to get a volunteer to arrange these trips for some time. Thank you to Greg Saunders for volunteering.

Several RSL Committee members joined the Younger Veterans Redlands for dinner in the Sails Restaurant last Saturday. Thanks for the invite it was a great night.

VETERANS' HEALTH WEEK

26TH OCTOBER - 3RD NOVEMBER

Veterans Health Week is 26th October to 3rd November and the theme this year is "Mental Awareness".

The Sub Branch together with the Women's Auxiliary and Younger Veterans are organising a Barefoot Bowls Day at Cleveland Sharks Sports Club in Cleveland on Sunday 20th October.

If you are interested in attending, please phone Nat on 3488 1158 and register your interest. Children are welcome.

More details as time draws nearer.

Deputy President & Cadets Report

This month the Cadet Units prepared for Vietnam Veterans Day Service held in Anzac Park on 18th August. In addition, our Redlands RSL Re-enactment Group began training for Catafalque Party duties. This year saw new recruits taking up this task at short notice, volunteering for Catafalque Party duties with limited training. They did a wonderful job.

A big shout out to the President of the Young Veterans Redlands Group Adrian Aiple and his team who refurbished our innocuous SLR Military Service Rifles in order to bring them up to ceremonial standard for use by our Catafalque Party on Anzac Day, Remembrance Day, and Vietnam Veteran Day. In addition, the Young Veterans presented the refurbished weapons to the Catafalque Party as they proceeded to the Cenotaph for Vietnam Veterans Day Service.

TS NORFOLK AUSTRALIAN NAVY CADET UNIT

TS Norfolk held their annual inspection on 11 May 2019. This important event consisted of a departmental inspection of assets, administration and safety compliance. The unit showcased their ceremonial prowess in a formal parade and were assessed on their execution of based learning activities with a maritime flavour before the Flotilla Commander, LCDR Raelene Stephensen ANC.

TS Norfolk competed at the Moreton Flotilla shooting competition at the Queensland Rifle Club at Belmont on 22 Jun 19. Although TS Norfolk cadets who competed were not successful in winning the trophy, they demonstrated responsible and safe weapon handling, enhanced their marksmanship skills and displayed commendable sportsmanship at the event. Members competing were;

CDTLS Noah Clark

CDTLS Caelon Burton

CDTLS Dominic Graham

SBLT Paul Cannard ANC from TS Norfolk took a lead role in coaching shooters on the day and in preparing the unit team.

TS Norfolk representatives were proud to commemorate Vietnam Veterans on Sunday 18 Aug. A wreath to honour the fallen was placed by LEUT Jon Klæbe ANC and CDT PO Mark Bradnum.

A number of TS Norfolk cadets have nominated to attend Specialist training courses being held at Shapcott Base and TS Moreton Bay in Redcliffe from 29 Sep - 5 Oct 2019. Successful cadets will gain a specialist rate badge in the following specialties;

- Ceremonial and Weapons Safety (SBLT Paul Cannard ANC is the course OIC)
- Communications
- Cooks
- Marine Technician
- Seamanship - Powerboating
- Seamanship - Sailing

Cadets and selected staff from TS Norfolk will attend Exercise Stone Pillow on 12 -13 Oct 2019 and spend the night in tents at Wacol. The primary objective is to raise awareness and funds for supportive housing of Australians within the Veteran community and their families who are at risk of homelessness. By sleeping rough for one night a year, TS Norfolk cadets together with other Navy and Army

Cadet units, will gain an understanding of the challenges faced by some of our veterans and their families. TS Norfolk is proud to continue our support of Veterans and their families.

CDT AB Declan Clark has been nominated to perform in the mass drum display at the Military Tattoo in Sydney on 19th October 2019 at the ANZ Stadium. Cadets will be staying at RAAF Richmond while in Sydney.

136 AUSTRALIAN ARMY CADET UNIT

I am delighted to report that we sent 9 LCPL to an eight-day Corporal course held at Canungra during the July School holidays, all 9 passed with better than average marks and 3 of our cadets obtained the top grading possible. This was an outstanding result and means that all sections will now be led by a well-trained Corporal who will be able to tutor and nurture the next group of Lance Corporals. The leadership structure we have been aiming for is almost complete, all we need now is for a SGT's course to finish the process that we started 18 months ago - the next SGT course is scheduled to be held in January next year.

Our next task during the month was to equip our recruits with their uniform and equipment, which we completed on a Saturday after the school holidays, its always good to see everyone in uniform and looking the same which is at the point we start dress and bearing training. The last part of the recruits training will start soon – their weekend Biv then followed by Drill so they can proudly March Out in early September before the School Holidays.

At the end of the Month after the documentation was complete, we were able to promote our Corporal's officially which now makes room for us to promote cadets into Lance Corporals positions, this task will be completed in August, hopefully before our mid-August biv at Greenbank.

— *Report provided by Capt. Wendy Kemp OC.*

217 SQN. AUSTRALIAN AIR FORCE CADET UNIT

July was a bit more of a quiet month for activities, yet SQN training is continuing to progress smoothly. Senior Cadets are taking more and more responsibility and our younger

cadets are showing more maturity and learning with every parade night.

SQN photos were also taken this month, showing all of our Cadets in their Service Dress uniforms, looking sharp. It is a great snapshot of everyone's position in the SQN and I'm sure the photos will be brought up again when Cadets look back on the time they had at 217 SQN. Comparing this year's SQN photos to the previous years, it is clear that 217 SQN is growing each year with more and more young people interested in aviation and the ADF. Thankfully, our SQN is very appealing to the youth of the Redlands due to our excellent facilities and great reputation. Thank you to the RSL for always helping us uphold that reputation and providing us with the means to give our cadets a great experience.

217 Sqn Air Force Cadet City of Redlands Group Photo

We have spent most of July planning some exciting and important activities for August. And I can't wait to report to you all again what we get up to.

Library Museum Report

In the past month, we have had 80 visitors coming through the Museum while volunteers have been on duty for 235½ hours.

As well as greeting visitors and guiding them around the Museum, there are many other tasks carried out by the volunteers. Alby Lester has made this stand to enable us to display uniform coats and shirts as there are various jackets without trousers in our collection and this seems the ideal way to display them (and saves polishing shoes).

The two certificates mentioned in last month's Bugle have now been cleaned up and are hanging in the Photo Gallery. We have been doing some re-arranging of memorabilia

to allow newer donations to be put on display and there is always the cataloguing and stocktaking of memorabilia, dusting and general cleaning and the shelving and borrowing of books from the library.

Many of our volunteers' skills can be used in the upkeep of the Museum.

PRESIDENT'S REPORT: We seem to be in a bad period at the moment for the health of our members, with so many suffering ill health and many requiring hospital care. Our thoughts are with them and sincere wishes for a speedy recovery.

Our last meeting was well attended and members enjoyed good company while also learning more about the recent history of our near neighbour New Guinea in a presentation by Paul Oates. It is encouraging to be able to welcome new members to our meetings and activities.

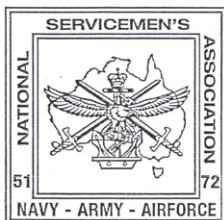

The last of our luncheons was held this month and attracted 45 members. We will be returning next month to evening dinners. Our Christmas function will of course be a luncheon and planning is already underway for that event.

Members attended Vietnam Vets Day ceremonies, both locally and in the city, commemorating the great record of our armed forces who, as is so often the case, were called on to deliver under extremely difficult conditions.

Our branch is giving consideration to new ways in which we might assist our members, and in the meantime will continue to promote health and well-being wherever we can.

REDLANDS BRANCH

The main objectives of the Air Force Association (RAAFA), are to promote and maintain the wellness and benefits of members; and for Redlands Branch, the support of No. 217 Squadron, Australian Air Force Cadets.

Socially, the Branch informal social gatherings every Wednesday at 3pm in the Anzac Lounge of Redlands RSL Club continue to be very popular with good attendances by members. These gatherings encourage members to get out and socialise. Also, the Branch held a farewell dinner in Redlands RSL on Wednesday 21st August to send off two of our members, Charlie and Sandie Downes, who are moving to Victoria. It will be sad to see them go, but we hope to see them in Queensland every winter.

Members of the Branch attended the Redlands RSL Vietnam Veterans Service on Sunday 18th August where President Rob Wilson laid a wreath on behalf of the Branch.

Our next General Meeting of RAAFA Redlands Branch will be on Sunday 13th October 2019 at 10:30am in Redlands RSL, Gallipoli Room.

Anyone interested in joining the Royal Australian Air Force Association (Redlands Branch), please phone the secretary, David Field on 0439 855 894.

Young Veterans Redlands

Young Veterans had another busy month with a fundraising BBQ at Bunnings. It was great to see so many Young Veterans assist on the day. We raised over \$2000, so it was a great success.

We also had a car wash at the HQ car park. This was also a great day of fun, as we all pulled together to raise over \$700.

We also had a social night out at the club, with many attending the night.

Best regards,

Joel Wilson

REDLANDS BRANCH

It's that time of the month again, and what wonderful weather we have been having. Unfortunately we had to postpone our train trip and craft market visit, apparently they were unable to muster a stand-by engine, typical of government departments.

The guest speaker for the Ladies DI Night has a very interesting past and should be well received on the night.

People are gearing up for Ballina and this is always a good weekend of socialising and renewing acquaintances.

Thankfully the EKKA is over, the different public holidays play havoc with the diary as we all know.

Well that's about it for now, so until next month - stay safe! Yours Aye,

Graham Hargreaves

Military Brotherhood Military Motorcycle Club

This month as a whole with all the sub branches in South East Queensland has been busy with birthdays, rides, and events in which we try to be involved in.

The biggest event that has brought the sub branches together was the last wish ride for little Isabel or Izzy as she likes to be called this little 5 year old girl has been living with a brain tumour and was initially given 15 months to live but lately her health has deteriorated she wished to ride in a truck and a motorcycle so the call went out and our State President organised for us provide a motorcycle with a side car and an escort for Saturday 17th of August.

Approximately 40 motorcycles and riders Military Brotherhood and supporters showed up at Wellington Point to meet up with little Izzy the smile on her face as she showed up in the truck melted all our hearts it's about then I think I got some dust in my eye.

Money was raised with a sausage sizzle held at Wellington Point to help her family with the on going costs of her treatment and care, as a result of this last wish ride a radio station has provided a helicopter ride for Izzy and her family this weekend and all we can offer is prayers and best wishes to Izzy and her family during this emotionally trying time.

Vietnam Veterans Day was held at the Vietnam Veterans Motorcycle Club, club house at Kingston where all the Military motorcycle clubs in the area attended to show their support and Brotherhood.

History

AUGUST

DATE	TITLE	EVENT
2 Aug 1941	Last major action involving Australians at Tobruk	After its capture Tobruk was garrisoned by the 9th Division, elements of the 7th Division and other Allied units. The town was surrounded on three sides by the German Afrika Korps in April and remained besieged, but able to be re-supplied by sea, until December. Most Australians, however, left Tobruk between August and October.
2 Aug 1990	Iraq invades Kuwait	The invasion began the series of events that led to the Gulf War of 1991.
4 Aug 1900	Battle of Elands River	Bushmen from five Australian colonies and other British Empire troops became involved in the defence of a staging post in Western Transvaal against a force of between 2,000–3,000 Boers. The siege lasted two weeks before the Boers withdrew in the face of overwhelming British reinforcements.
6 Aug 1945	First atomic bomb dropped on Hiroshima	Hiroshima was chosen as the target for the dropping of the first atomic bomb as, to that point, it had not been subjected to US air raids. It was believed that attacking a hitherto untouched city would demonstrate the awesome power of atomic weapons. The bomb was dropped by a US B29 bomber nicknamed "Enola Gay"; it was estimated to have killed some 140,000 people by August 1946.
7 Aug 1915	Australians charge at the Nek	Fighting as infantry, the 10th and 8th Light Horse Regiments attacked the Turkish forces at the Nek, Gallipoli. Three waves went forward, and altogether 375 of the 600 men became casualties, a figure which included 234 dead.
13 Aug 1914	Establishment of the Australian Red Cross	Establishment of the Australian Red Cross to raise funds to purchase comfort supplies for Australian service personnel overseas. The Australian Red Cross was established by Lady Helen Munro-Ferguson.
18 Aug 1971	Australian Government announces withdrawal from Vietnam	The Australian Government announced that the 1st Australian Task Force would be withdrawn before Christmas 1971, and the logistic support force shortly thereafter.
28 Aug 1945	Australian destroyers enter Tokyo Bay	Ships of the Royal Australian Navy joined Royal Navy and United States Navy ships in Tokyo Bay to receive the main Japanese surrender on 2 September.

WITHOUT HISTORY, THERE WOULD BE NO FUTURE!
