# President's Report

Welcome to 2019, another year rolls around.

Hopefully everyone had an enjoyable and relaxing Christmas and New Year break and are ready to face 2019.

We are looking at the first 4-6 months of the new year to be a consolidation period for both our business side and our Welfare side, we had a lot of expenses in 2018. With the car park and a larger than usual Anzac and Remembrance Day. We just need to settle down and bring everything back into normal mode.

There are a few things that don't alter through the year, the first being the renewal of membership for 2019. This applies to all of our service members who's cards expire in 2019, those that take out 1 year \$10 memberships come into this category. Those service members that have taken out Life Subscription of course do not have to pay. If you have a query look on your card, where it states Service LS down the bottom and an expiry date of 2099. This means you don't have to pay again, unless your going to live to 2099. Which I suppose could happen with young members 20 or so joining, medications are for ever improving to make 100 year olds more common. We have 5 centenarian members already.

The second thing that will not alter is our dedication to our Veterans and their dependants, to assist them where we can and give them a better lifestyle through Home and Hospital visits, Food bank, Social interaction through our Joint Venture Day Club, Golden oldies group and our Golf, Snooker, Fishing and Chess clubs. All of these amenities are available to our members.

We will face a different year in 2019, we will see opposition to our business side increase, decreasing operational funds. Also more of our Veterans will require assistance as age catches up to them.

Stay well,

*Alan Harcourt* LM,  
PRESIDENT

# General Manager's Report

Happy New Year! I hope you all have had a lovely Christmas and New Year break.

I'd like to thank you all for your valued support throughout 2018. The new car park has been successful over the busy Christmas and New Year period, the hot summer months and the few inclement days we have had.

It is pleasing to report that we finished 2018 with a record high number of financial Service members which was 1,166. We are currently the 2nd largest Sub Branch in South East Queensland, just trailing Greenbank by a very small margin. It would be great if we could report that we are the largest, so please, if you know any currently serving or ex-service personnel, then please encourage them to join. A reminder that Redlands Sub Branch subsidises 50% of joining fees.

I also encourage you all to ensure your details are up to date on our membership database. You can check this at reception. This includes your mobile number and email address. This way we can keep you up to date with what's happening on the special commemorative days, your membership renewal, major promotions, birthday rewards, etc.

I look forward to an exciting year ahead.

Kind regards,

*Peter J. Harrison,*

GENERAL MANAGER

# Treasurer's Report

2018 concluded with the Centenary of Armistice and the opening of the new Multi-Level Carpark. The Budget for 2018 was conservative to accommodate any potential downturn in business during the building of the multi-level carpark. With final figures not available at the time of writing this report, profits for 2018 are above expected results.

The sale of 201 Middle Street to RSL Care settled on the 30th November with \$1,033,866 profit on sale to be recognised in the 2018 profit, along with an anticipated profit just shy of \$850K, unaudited results are showing \$1.883M.

This year our League, Welfare and Donations cash and in-kind donations exceeded \$964,000 at the time of writing, this does not include however, the 12,367 volunteer hours contributed throughout 2018.

2018 League activities increased with the subsidised gardening services to eligible members, RSL Homelessness partnership with RSL QLD and PTSD Reboot Course. We welcomed the Younger Veterans Redlands and their families to the Redlands RSL. 15 applicants received a share of \$38,680 in Redlands RSL Community Grants Program.

Commemorative costs for 2018 were \$124,395 – this included Anzac Day commemorative services at Redlands RSL, North Stradbroke Island RSL and Coochiemudlo Island, Vietnam Veterans Day, Centenary Armistice Dinner and Military Display, Centenary Armistice Commemorative Services Redlands RSL, North Stradbroke and Coochiemudlo Island.

A very big thank you to all our dedicated volunteers for their time towards home visits, pension applications/reviews, poppy services, commemorative days, Library/Museum and other activities. To the Management Committee, General Manager and Administration staff thank you for your support throughout 2018, look forward to working with you all in 2019.

A full Treasurers report for 2018 will be available in the Annual Financial Report due out in March 2019.

# Well Being Report

Good morning all and welcome to 2019. Hope you had a wonderful Christmas and are settling into the New Year.

The Headquarters office was closed from 17th December and reopens on 21st January. Hopefully all our volunteers have had a good rest.

During December the President and myself represented the Sub Branch at a number of Christmas Parties and were warmly welcomed to them all.

Deputy President Ian Gray, League Secretary Michael McDonnell, Service member Phil Whitlock and President Alan Harcourt attended five Primary Schools to present bursaries to students whom best reflected the Objects of the League.

The Golden Oldies Christmas Party was attended by around 35 guests and volunteers. Thank you to Lorraine, Lois, Shelly and Chris for all the work that went into the planning and the lovely gifts from Secret Santa.

The ladies of the Auxiliary met on the first Monday in December and following this they wrapped 155 gifts plus 4 late requests to distribute to veterans/war widows/legacy ladies in sixteen care facilities in the Redlands. They then welcomed guests who had volunteered throughout the year to assist with Care Packages,

Anzac Day posy making and breakfast service. Representatives from the National Servicemen's supporters group and War Widows were among those who attended. On Thursday 6th December, 17 ladies enjoyed Christmas lunch in the Sails Restaurant.

President Alan and myself went to State Office to be interviewed regarding an in house portal that RSL Qld are developing. The consultation process is taking place and not sure when we will see the final product but was great to be one of the Sub Branches asked to have input.

The Young Veterans Redlands officially opened Stage 1 one their Welfare Hut at Capalaba. On Saturday 8th December. Congratulations to all concerned in making this happen and a wonderful afternoon was enjoyed by Ex Servicemen and women from a number of conflicts and their families as well as supporters from the community.

Pension Advocates will return on 21st January having seen 50 clients since the last Bugle.

# Library Museum Report

Hope all our volunteers enjoyed their Christmas break and are looking forward to another year of meeting and talking to visitors as well as keeping the place clean and tidy. We welcome Mark Patten back to the team after a break last year. It is great to see his smiling face back on duty.

Some of the visitors to the Library/Museum in December were volunteer fire fighters all the way from Victoria and staying in the motel next door. They were most impressed and spent an hour or more in the quiet and coolness of the Museum after fighting fires on Stradbroke Island. We also had visitors from Ipswich who had come down specifically to have lunch at the Redlands RSL & visit the Museum.

Mrs Bea France has donated a flying suit and helmet which were worn by her husband Lieutenant Commander Ray (Mondo) France who enlisted when he was 17 and stayed for 18 years. He wore the suit when he was on the Melbourne & was the youngest pilot there at the time while flying Skyhawks. The suit is now on display in the entrance hall to the RSL restaurant.

There have been other donations, but as there were no donation forms filled out we do not know who the donors were. It is important to do the paperwork so we can give recognition to the donors.

## PRESIDENT'S REPORT:

A welcome to all members for the start of another year. I hope everyone had an enjoyable festive season and Santa was kind to you.

Last year the Nashos enjoyed a full program of social activities and we now look forward to new rewarding and enjoyable occasions.

Our AGM and election of office bearers is fast approaching and I urge all members to consider increasing their involvement at the organizational level. We all owe our gratitude to the Committee Members who constantly donate their time to the organization and also to the considerable number of members who, although not holding an official position, just chip in where they see the need.

In particular, thanks are due to those who assisted with fund raising during the year. Their efforts enable us to provide future benefits to our members and continue the social events we all enjoy.

Our fitness programme is continuing with good reports from all who have participated. Our Exercise Physiologist has agreed to attend a number of sessions early this year. On these occasions he will concentrate on advice as to how to approach particular problems, e.g. sore shoulders, legs etc.

Any member wishing to take advantage of the Fitness program is always welcome. Just let me know. Eric Shaw

# Cadets Report

As we start yet another year I would like to take this opportunity to thank the three Cadet Units and their Commanders for their assistance through the last year in being available for our commutative events such as Anzac Day, Remembrance Day and especially the 1918-2018 Armistice Day celebrations.

I had the privilege to attend the Army, Navy and Air Force Cadet Units annual graduation dinners and the Tri Service Parade through the closing stages of December. At this time we said goodbye to the Cadets as they age out and we thank them for their contribution and the valuable live skills they have obtained during their time with their Units. We hope that they will be both happy and excited to accept the challenge ahead of them. The Commanders have trained them to lead that which this nation holds most dear: her daughters and sons.

## TS NORFOLK AUSTRALIAN NAVY CADET UNIT

TS Norfolk cadets and staff are currently enjoying a summer break and will begin parading in early February to begin a new year of training and activities.

However, to digress a little prior to the end of year break up the cadets and staff enjoyed a “relaxed” Mess Dinner at the Redlands RSL where we all had an enjoyable night and great food. This was also the last activity ever that our 18-year-old cadets would get to enjoy due to new Australian Cadet Corps regulations. There were however some less formal moments as shown in the attached photos.

The new year will see cadets attending the annual promotions course held by the Moreton Flotilla at Gallipoli Barracks, Engoggra. A national Sailing regatta and Shooting competition will be held in Sydney at Easter with cadets from TS Norfolk looking to gain podium positions in both disciplines.

The unit itself will conduct maritime days on the water at Wellington Point during the summer months as well as BBQ days other Navy related activities.

All in all a promising year for all the cadets both new and seasoned to have fun make friends and learn some new skills.

*Report provided by LEUT Stephen Fields*

## 136 AUSTRALIAN ARMY CADET UNIT

The year finished with a bang, in quick succession we had our Annual Dinner, followed by our end of year Parade and then our last Parade night of the year.

Our Annual Dinner and awards night marked our 25th anniversary, we had a great night with a number of special guests plus several x cadets who came back to help us celebrate, it was a lovely evening and it was pleasing to see the spread between newer and cadets that have been with us for a couple of years getting awards, the unit certainly has some great potential junior leaders that will come through over the next couple of years.

Our end of year Parade was a Tri Service Parade hosted by us it was well attended by all cadet services in the Redlands and it was a great spectacle. Due to new heat management protocols we decided to have the parade late in the afternoon, it certainly put pressure on us getting it right during the morning practice. It is difficult for all services to adjust to the tri service movement and drill which uses a little bit of each service, it all came together and looked fantastic, and much to our relief we didn't get hit with a storm. We were lucky to have COL Potter from HQ attend as our reviewing officer for the Parade, it is one of COL Potter's last duties as he posts out at the end of the year, and as we found out in his speech he has recently shifted to the Redlands area so hopefully both the RSL and the unit will see

more of him in the future.

We took the opportunity to have unit BBQ after the Parade and we had a fantastic turn out from Parents and friends of the unit everyone brought a plate of food to share, it was a lovely way to finish the day.

Our last parade night of the year is one of those sad but happy occasions as cadets that are not returning next year return their equipment, it is sad to see them go. These wonderful young men and ladies go with our best wishes and our hope that their time at cadets has given them a skill or two that they would not have achieved elsewhere.

## 217 SQN. AUSTRALIAN AIR FORCE CADET UNIT

For the Month of November, the SQN had a busy time celebrating our graduation parade and dinner. Multiple awards were handed out at the dinner including Dux of each stage, the Cadet Choice Award, and aviation and fieldcraft awards. CUO Brinkcman and CWOFF Ottermann also gave their farewell speeches, leaving us all with some wisdom and advice. The SQN was also very happy to receive a \$2,000 donation from the Rotary Club and a \$1,500 donation from

the RAAF Association and the continuous financial support from Redlands RSL. I can speak on behalf of the whole SQN in saying that we are so grateful for the generosity of all associations that support us. The SQN would not be able to partake in all our activities without your help, Thank you.

The SQN then had our Graduation Parade with 136 ACU and TS Norfolk. The SQN performed excellently on the parade with CUO Brinckman, CWOFF Otterman and A/CSGT Di Bella leading the SQN confidently. It was a great parade to end a great year for 217 SQN. The following week, the SQN held a social night as celebration for all the hard work done by our Cadets and Staff.

For December, myself and four of my fellow CCPLs are attending our Senior Non-Commissioned Officer Course at Shapcott Base. The selected Leading Cadets from the SQN will begin their Junior Non-Commissioned Officer Course in January. We will have a joint graduation parade at Enoggera Army Barracks on the 13/1/2019.

Overall it has been a great year for the SQN and I am very excited to join up again with my fellow Cadets to tackle all the upcoming challenges and have a fun and rewarding 2019.

## REDLANDS BRANCH

The main objectives of the Air Force Association (RAAFA), are to promote and maintain the welfare and benefits of members; and for Redlands Branch, the support of No. 217 Squadron, Australian Air Force Cadets.

The Branch informal social gatherings every Wednesday at 3pm in the Anzac Lounge, Redlands RSL Club, continue to be very popular with good attendances. These gatherings continued during the Christmas and New Year period; and provided an opportunity for members to get out and socialise.

In other social news, the Branch Christmas Dinner was held on Saturday 8th December at Redlands RSL. This was a great finale to a year of camaraderie, with excellent food, enjoyed by all members. The Redlands RSL staff are to be congratulated for their great food and service.

The dinner followed our final meeting for the year and our Christmas raffle. My personal thanks to the committee and members for their support throughout the year; and to all the members who generously donated prizes for our Christmas raffle.

Our next meeting of RAAFA Redlands Branch will be the AGM followed by a general meeting on Sunday 10th February 2019 at 11:00am at Redlands RSL Gallipoli Room.

**The Redlands Branch of RAAFA welcomes new members. Anyone interested in joining, please phone the secretary, David Field on 0439 855 894.**

## HOME/HOSPITAL VISITATIONS

RSL Headquarters is at present trying to compile a data base of organisation eg. Care facilities, churches, hospitals that may have Service members that we can visit. In this day and age with privacy concerns it is not an easy task. If you belong to an organisation that has a newsletter they distribute can you let us know and would allow us to include a small article it would be much appreciated. If you know someone in their home that you think may need a visit please let us know.

## ANZAC DAY BADGE SELLING AND SCHOOL VISITS

I know it is only January and last year we sent out a text regarding members attending schools/care facilities for their Anzac Day Services and your replies were much appreciated and thank you to those who visited schools/care facilities to represent the RSL.

If any Service members wish to be involved again this year with school visits or badge selling, please email Linda at [linda.harcourt@redlandsrsl.com.au](mailto:linda.harcourt@redlandsrsl.com.au) with your details or text or phone her on 0417 604 729. The schools will probably require attendance on 23rd or 24th April.
