

# GOLDEN OLDIES VISIT HISTORIC ORMISTON HOUSE IN STYLE

Our Golden Oldies enjoyed a beautiful outing to Historic Ormiston House on Tuesday, 30th April 2019 for a High Tea. There were over 40 in attendance with their Carers.

Not only did they have a lovely High Tea but they were transported to Ormiston House in Vintage Cars supplied by Bayside Vehicle Restorers. They enjoyed history, heritage, music, sports, bay views, the amazing gardens, and morning tea.

Thank you to Ormiston House, our amazing volunteers who arranged the day, and to the drivers for making this a lovely day out for our Golden Oldies.
