

# Thank You

This week is National Volunteers week and the Sub Branch held a "Thank You" function on Monday 20th May to thank our wonderful volunteers who last year contributed over 12000 volunteer hours. The Government costs these hours at \$25.00 per hour so thank you all for your contribution.

It was great to see the Library/Museum volunteers who probably don't see each other too often taking up two tables. The Golden Oldies volunteers who are at the RSL in the Gallipoli Room every second Tuesday providing a varied program for our guests. As usual the Headquarters volunteers were making the most noise and having a well deserved break from League, Compensation and Wellbeing matters. Our volunteers who assist at schools and care facilities and sell badges socialised during the evening.

Thank you to the Management team of the RSL who looked after us all so well, it was much appreciated.
