from the manager's desk

Welcome to our Summer Bay Breeze magazine for 2021-2022. Can you believe we are at the end of another year!

Who would have thought 2 years ago, a covid pandemic would impact our society as much as it has. Life has changed for many. As my report is being written in mid-November, regulations set in place by the Qld Government could very well change by the time this goes to print, or is read by you, our valued patrons. The Qld Governments latest announcement for our industry is that our staff and patrons must be double vaccinated to enter. What is our stance on this? Redlands RSL, together with all hospitality venues in Qld MUST comply with Qld Government regulations put in place, whether we agree with them or not. What is forced upon us to enforce is not necessarily the views or opinions of our management, staff, RSL Qld, or Clubs Qld, however for us to open our doors and trade, we must comply. It is not our place to voice our personal opinions, nor is it our intention to divide our community, however I do expect that our management and staff be treated with respect during these times, and the decisions made by our government are not held personally against our management, staff, volunteers, or Redlands RSL as a venue. We thank all those that understand and support the hard times that the hospitality industry continues to endure.

On a positive note, the past few months have been great. Father's Day and Melbourne Cup Day were a success, Remembrance Day was extremely well attended, and our general trade has been very pleasing.

With our busy festive season now upon us, I would like to remind everyone that table reservations in our Sails Restaurant are highly recommended.

Wishing everyone a very Merry Christmas, and a safe, happy, and healthy 2022.

I look forward to seeing you all in the club again soon.
