*Feels Like Summer!*

## *From the Manager's Desk...*

2023... wow, time sure is passing by quickly!

What a year we had in 2022. Redlands RSL underwent major renovations to accommodate our ever growing community. Unfortunately due to supply issues they took a little longer than we had first anticipated, and some areas are still yet to be completed.

The hardest was our restaurant renovations with our chefs having to operate out of a very small temporary kitchen, and the seating for our diners being halved in comparison to our usual capacity. Overall, I am very pleased and thankful to our chefs and catering team for their resilience during this time, as the alternative would have been to completely close the restaurant for 6 months.

For those that have seen our completed Function Rooms I think you would agree that they look fantastic. November and December saw a few end of year celebration events, and lots of fantastic feedback was received, especially about the food.

With the disruptions of covid restrictions and our renovations now hopefully behind us, I am excited to see what 2023 has install for us here at Redlands RSL. With a great team of managers and staff here to provide the best service for you to enjoy your time, I hope Redlands RSL will continue to be your venue of choice in the Redlands!

**Membership Renewals:** For those with membership cards expiring 2022 please see our reception team to renew so that you can keep receiving your exclusive member only benefits. Also, please ensure that we have your details in our membership database up to date including your email address.

Our best way for us to communicate with our members is via email, and via our socials (Facebook and Instagram) for the local community. This way you can keep up to date with what is happening on a regular basis.

I would like to personally thank everyone for their continued patronage and support and I look forward to seeing you in your club soon,

*Peter S Harrison,*  
General Manager, Redlands RSL
