*Fishing*

- \* Club meetings are monthly
- \* Family focused social events
- \* Midweek and week-end fishing comps
- \* Bay and beach fishing events
- \* New members and guests welcome

## About Our Club

The RSL Fishing Club has been in existence for over 50 years. It has been our proud privilege to provide recreational social fishing activities to club members and the Redlands community. The club encourages members, guests and all anglers to include their children or grandchildren in club activities whether it be fishing or general family social events

The club has a family focus and looks for opportunities to encourage our juniors to fish. There will always be a mix of younger anglers and seasoned veterans happy to mentor the young and less experienced fishers. We encourage members and guests to participate in our fishing and social events and assist with fund raising, working bees and other club activities

Club general meetings are held on the first Wednesday of each month commencing at 6.30pm in the Redlands RSL meeting rooms down stairs

Prospective members and other guests are always welcome to attend.
